### Community Eligibility Provision

June 28, 2018

Dear Parent or Guardian:

We are pleased to inform you that Washington Community Schools will be implementing a new option available to schools participating in the National School Lunch and School Breakfast Programs called the Community Eligibility Provision (CEP) for the 2018-2019 school year.

#### **What does this mean for you and your children attending the school(s) identified above?**

Great news for you and your students! All enrolled students of any Washington Community Schools Elementary are eligible to receive a healthy breakfast and lunch at school at **no charge** to your household each day of the 2018-2019 school year. No further action is required of you. Your child(ren) will be able to participate in these meal programs without having to pay a fee or submit an application.

If we can be of any further assistance, please contact us at 812 254-5536.

Sincerely,

Dr. Daniel L. Roach

Superintendent
