

# Catering Guide

## **Planning Your Event**

The menu selections and services in the catering guide are the most frequently requested, however, this represents only a sampling of what we can do. Should your plans include items or selections not found on our menu, we would be happy to customize menus for you. Whether you are planning a simple gathering or a special event, it would be our pleasure to help you with arrangements.

## **Placing Your Order**

PH: 812-582-9118 EMAIL: eben.lips@sodexo.com or jwarner@wcs.k12.in.us

- ♦ Please provide at least 7 days advance notice for orders. We will make every effort to accommodate orders with less notice, but may need to restrict the menu to product on hand.
- ♦ We request that you guarantee the number of guests attending your event at least 48 hours in advance.
- ♦ Special orders and events with a large number of guests require as much notice as possible.
- ♦ Linens will be provided upon request for catered Lunches or Dinners only.
- ♦ There may be added labor charge for events scheduled on weekend, Holidays, vacation breaks or when school is not in session.

## **Cancellations**

Cancellations must be made 2 days in advance. Shorter notices may result in charges of up to 70% of the original billing. We realize that some things are beyond your control. If there is a snow day, or if school is cancelled, we will assume that your event is also cancelled. You may still be billed for any perishable foods that have been prepared, or for special purchase items. We will work with you in order to minimize this expense.

## **Payment**

Invoices are generated and will be emailed after the completion of the event. Events will be billed at the guaranteed number or the actual number served, whichever is greater. Payment within 30 days is appreciated. Please direct any billing questions to Eben Lips @ 812-582-9118 or eben.lips@sodexo.com
