Dear Parents, Guardians, Students,

Welcome to the 2019-20 school year! We are looking forward to a wonderful year of Learning, Believing, Connecting, and Time Traveling! To help ensure a safe and respectful learning environment, please see the following expectations regarding appropriate dress for school. These expectations are in addition to those found in the handbook.

We are active learners every day. For student safety, please be advised that long fingernails (either real or fake) are not permitted. Post earrings are permissible but dangling earrings pose a safety concern and are not appropriate for school.

Fashion is always changing and holes in jeans have made it back in style. Holes any higher than shorts length are not permitted. Shorts need to be at fingertip length. "Sagging" pants are not permitted at school. Headbands need to be free of animal ears or other decorations that can be a distraction in the classroom. Make-up is not to be worn at school.

Thank you in advance for assisting your child in understanding and following these guidelines.

Yours in Education,

Ms. Lobeck, Treasure Hunter and Principal
